Itineray

Countries	Duration
.....
.....
.....

Approximate date of last vaccinations?

Tetanus.....	Polio.....	Typhoid.....
Hepatitis A.....	Yellow Fever.....	Other.....

If you are not sure of the above information we may be able to obtain this from your clinical records.

Please complete this form with as much detail as possible, hand it into reception for the attention of the Nurse who will check it.

Call back in one working week for the information and to book an appointment(s) as required.

It is more beneficial for any required vaccines to be given at least 2 weeks before your holiday, so please allow adequate time. Some vaccines need to be ordered in especially.

UNDER THE NHS YOU ARE ENTITLED TO SOME OF THESE VACCINATIONS FREE PLEASE SEE CHART ATTACHED.

Vaccinations can also be obtained at Private GP Services – Chelmsford Medical Centre, New London Road and Ramsay Healthcare (Springfield) Hospital.
